3 - ATRN 2222 is taken only once an academic year based on your clinical assignment

4– Grade of "B-" or higher required .

5—Grade of "C-" or higher required.

Note: Critical Requirements must be satisfied by the end of the indicated semester to be considered making minimum academic progress toward the degree.

Students intending to obtain a Bachelor of Science in Athletic Training must be selected for admission after meeting the minimum departmental and degree criteria. Because of a limited number of clinical education sites, meeting all criteria for admission does not guarantee acceptance into the professional (clinical) phase of the degree program. See the LSU General Catalog or contact program faculty for Athletic Training Professional Phase admission requirements.
