Spring 2024 All Teacher Resident Responses by Level of Agreement per Indicator

Data Analysis:

The scores for all teacher residents across various categories are predominantly high, with most categories scoring a 4. The categories with a score of 3 include:

- Prepared Well
- Inst Strg Std Intrst
- HQIRM
- Trauma Inf
- Cmnct Fam Stk

The remaining categories all scored a 4, indicating strong performance in areas such as designing lessons, managing classroom procedures, and engaging students related to standards.

Overall, the data suggests that teacher residents are performing well in most areas, with a few categories needing improvement.
