I. WELCOME

Welcome to the LSU School of Theatre. We look forward to facilitating your graduate education and assisting you in your transition to the professional world.

This handbook includes resources, policies, guidelines, deadlines, and helpful hints to assist you in the completion of your graduate degree. Additional important information is available on LSU's [Pinkie Lane Graduate School webpage](#) and in the [LSU Graduate School Handbook](#).

You are responsible for the completion of your degree. Becoming thoroughly familiar with the requirements of your degree program and the policies and procedures of the School of Theatre, Graduate School and LSU will help ensure your success. The Graduate School website includes student resources, required graduate school forms and important information including the graduate school calendar, thesis and dissertation requirements and funding opportunities. It is the student's responsibility for ensuring that they are following all graduate school requirements and meeting the appropriate deadlines. If you have any questions, please contact the Graduate Advisor for your specific program or the CMDA Associate Dean of Graduate Studies.

The University and the School of Theatre reserve the right to change any provision, offering (courses or services) or requirement at any time within the student's period of study at LSU. All classes, policies, procedures, and stipulations are only approved for the year of the handbook regardless of when students enter the program. Students are required to adhere to the policies outlined in the most current School of Theatre Handbook. Each student is personally responsible for becoming informed of any changes in the handbook during the period of their education at LSU as well as completing all requirements established for their degree by the University, college, and department. It is the student's responsibility to learn these requirements.

II. VISION AND MISSION STATEMENTS

On August 26, 1998, the Board of Regents of the State of Louisiana approved the creation of the College of Music and Dramatic Arts, an act that merged the LSU School of Music and the Department of Theatre - two highly visible and respected academic units on campus. In 2015 the Board of Regents approved a change in designation from the Department of Theatre to the School of Theatre.

A. LSU STATEMENTS

Vision

As Louisiana's flagship university, LSU will deploy the knowledge generated through the work of our faculty, staff, and students to build a more healthy, prosperous, and secure future for the state.

Mission

Designated as a Land, Sea, and Space Grant institution, LSU secures, elevates, and advances Louisiana and the world through the generation, preservation, dissemination, and application of knowledge and cultivation of the arts and develops students who are prepared, confident, and inspired to achieve lifelong success.

Diversity Statement

We believe diversity, equity, and inclusion enrich the educational experience of our students, faculty, and staff, and are necessary to prepare all people to thrive personally and professionally in a global society. Therefore, LSU is firmly committed to an environment that affords respect to all members of our community. We will work to eliminate barriers that any members of our community experience.

To make LSU a place where that can happen, we must recognize and reflect on the inglorious aspects of our history. We now acknowledge the need to confront the ways racism, sexism, ableism, ageism, classism, LGBTQ+ phobia, intolerance based on religion or on national origin, and all forms of bias and exploitation have shaped our everyday lives.

We accept personal and professional responsibility to eliminate bias and oppression wherever they are found. We understand our obligation to speak up when we see bias whether it be in our teaching, study, or daily work. Our community will educate themselves proactively and continuously about how to intervene and bring bias to the attention of others with commitment and compassion.

We will hold ourselves accountable for our actions and inactions, and for maintaining intentional, measurable, and meaningful efforts to enhance diversity, equity, and inclusion, including through ongoing evaluation of our policies, practices, and procedures.

B. SCHOOL OF THEATRE MISSION STATEMENT

The LSU School of Theatre is dedicated to preparing students of all identities for professional and academic careers in arts and cultural industries. Providing an inclusive learning environment as key to a well-rounded humanities education, We offer a variety of degrees and concentrations that encourage students to tailor their training to their creative and scholarly passions and intentions. Graduating students move into careers and further educational institutions as informed and empowered artists, theorists, and technicians; the practical skills learned apply not only to the arts but also to multiple related professions and industries.

Accomplished professional creative practitioners from all over the world, contribute to the School's cultural insight and cutting-edge performance tools. Our programming commits to spotlighting topical issues, celebrating shared social values, and exploring humanity. With diversity, equity, and inclusion among our core values, we work to honor the experience, perspectives, and unique identities of our students, faculty, staff, guest artists, and audience. The School also has a unique and significant place within Louisiana State University and seeks to contribute in a visible way to the quality of life and economic growth of both the state and the region.

C. SCHOOL OF THEATRE DIVERSITY, EQUITY AND INCLUSION STATEMENT

The School of Theatre has identified diversity, equity, inclusion and access as core values of our school and strive to build and sustain a community that honors the experience, perspectives, and unique identities of our students, faculty, staff, guest artists, and audiences. We understand the intersectional nature of our work and our world and celebrate the rich perspectives we attain in community with one another.

We work to dismantle inherited structures of systemic racism and oppression while challenging silence and inaction which allow oppression to continue in ways that impact every facet of our operation and every person who participates in them. We are committed to an ongoing evaluation of policies, practices, curriculum, and culture to eliminate barriers rooted in white supremacist culture, racism, sexism, ableism, ageism, classism, LGBTQIA+ phobia, intolerance based on religion or on national origin, and all forms of bias.

D. SCHOOL OF THEATRE LAND ACKNOWLEDGEMENT

As a land, sea, and space-grant institution, Louisiana State University and A&M College (LSU) has a responsibility to acknowledge, honor, and affirm Indigenous culture, history, and experiences. LSU is a community of higher learning built upon the traditional, ancestral, and contemporary lands of Indigenous peoples. At the heart of LSU's campus are two earthen mounds, architectural remnants created by Native Americans and predating the pyramids in Egypt. These mounds are believed to be the oldest edifices in

North America. Built by a people who were egalitarian fisher-hunter-gatherers, the LSU Indian Mounds were built as a place of gathering over the course of 200 years. LSU recognizes the communities native to this region including the Caddo Adai Indians of Louisiana, Biloxi Chitimacha Confederation, Chitimacha Tribe of Louisiana, Choctaw Nation, Coushatta Tribe, FourWinds Cherokee Tribe, Muscogee (Creek), Point au Chien Tribe, TunicaBiloxi Tribe, United Houma Nation, and others whose memories may have been erased by violence, displacement, migration, and settlement. As a University, we thank them for their strength and resilience as stewards of this land and are committed to creating and maintaining a living and learning environment that embraces individual difference, including the Indigenous peoples of our region.

III. DEI IN THE SCHOOL

A. ALLIANCE FOR THE FUTURE: DISMANTLING BIAS AND RACISM IN THE SCHOOL OF THEATRE

Hello and welcome from the Alliance for the Future. Our mission is to transform the School of Theatre into an antiracist and anti-biased institution where all members of our community: students, staff, faculty, visiting artists, and audience members of all identities are respected and accepted. To advance this mission, the Alliance is committed to identifying racism and bias in the School of Theatre and engaging our community in measurable action to create change. The Alliance is committed to dismantling oppression as it affects the intersections of race, religion, sexuality, gender identity, or disability, and to replace oppressive practices. The School of Theatre is committed to creating ongoing change in our curriculum, our rehearsal and production processes, our classrooms, our backstage and support areas, and our offices.

With great work and dedication, we look to build spaces, both physical and virtual, that welcome our community in all its beauty and diversity. The School of Theatre must continue to learn from mistakes to create opportunity and access for voices of all backgrounds and lived experiences. This work begins with the stories we tell ourselves and others. We reject the centering of White, Cis, able-bodied, and Straight narratives which have been upheld for so long and commit to celebrating myriad perspectives which have been so often overlooked and silenced in the past. Celebrating our richness demands that we include stories about diverse populations as told by members of those populations. We defy the myth of scarcity that works against the realities of our current and future abundance. We have everything we need to transform our School and the industries it supports.

The Alliance commits to lead the School of Theatre in remaining mindful of our students' place as soon-to-be leaders in our field and recognizing that our values and actions affecting today reverberate into their futures. To advance our mission of transformation, the School of Theatre, with the support of the Alliance for the Future, commits to:

- Perform a biannual climate survey to elicit the experiences of members of our community and assess the effectiveness of programmatic and policy shifts
- Create affinity spaces for historically marginalized groups
- Provide access to training that will minimize harm in our community as well as foster support mechanisms to assist when harm occurs
- Develop a direct and accessible means for people to report grievances which lead to prompt and meaningful actions to minimize future harm and work toward healing.
- Engage with alumni and take meaningful steps to repair relationships that have been damaged in the past.
- Actively recruit BIPOC faculty, staff, and guest artists.
- Ongoing active listening, questioning, analysis and cultural course corrections to minimize trauma and provide healthy learning environments

The Alliance includes representatives from our undergraduate and graduate alumni and current students and faculty and staff. We are structured as a non-hierarchical collective and all meetings are open to our community. We encourage participation in whatever ways you feel comfortable. If you would like more information please visit the [Alliance for the Future](#) home page.

Opportunities for students and alumni to self-nominate for the Alliance happen at the beginning of every year.

B. RESPECT

The School of Theatre strives to welcome and celebrate the wholeness of its members. As a member of our community students agree to respect the dignity of every individual.

- We will give each other grace; this is hard work and mistakes will happen
- Be accountable for the impact of your behavior.
- There is no statute of limitations for harm. Harmful behavior may be addressed at any time.
- Language matters
- Names and pronouns will be respected.
- Use inclusive language: avoid biased, discriminatory, sexist, prejudiced, racist, ableist, denigrating terms. For examples, see the [Northwestern Counseling Inclusive Language Guide](#)
- Avoid gendered language (unless specifically told otherwise): Avoid titles (Ms., Mr., Miss, Mrs.), avoid gendered job titles (“mail carrier” rather than “mailman”), don’t refer to groups by gender (“boys and girls” or “ladies and gentlemen” or “hey, guys”)

V. ACADEMICS

A. ACADEMIC POLICIES

The following are select policies excerpted from the LSU General Catalog. For complete updated information please, refer to the catalog which is the source of all academic policies and procedures.

GRADUATE CREDIT

A student may receive graduate credit only for courses taught by members of the graduate faculty or other persons approved in advance by the Vice Provost & Dean of the Graduate School. LSU Graduate students enrolled in LSU advanced degree programs may not teach other LSU graduate students for graduate credit. Except as noted, a student may receive graduate credit only for work taken while officially enrolled as a graduate student.

At least one half of the credit hours required for a graduate or a post-baccalaureate professional degree must be earned through instructional hours and must be at the 7000 level (thesis hours excepted) at LSU. See also “**Transfer of Credit**”, below.

Any student dropped from a graduate program because of unsatisfactory performance will not be permitted to take courses for credit toward a graduate degree beyond the semester in which the student is dropped.

Graduate students may not take credit examinations in graduate-level courses.

Grades

Graduate Grading System

Grades in the Graduate School have the following meanings:

- Marks carrying advanced degree credit are “A,” “B,” “C” (up to, but no more than six hours); “S” (satisfactory); and “P” (pass).
- Marks carrying no credit for advanced degrees are “D” (poor), “F” (fail), “I” (incomplete), “W” (withdrawn), “U” (unsatisfactory), and “NC” (no credit).
- Cumulative grade point average is the average based only on graded graduate work.
- Semester grade point average is the average based on graded graduate and undergraduate work.
- For purposes of probation, continuation/dismissal, and graduation, the LSU cumulative GPA will be used with a minimum of 3.00.

- For purposes of transfer of credit, a “B-” is permitted so long as the LSU cumulative GPA is above a 3.00.
- For use towards graduation, there is no limit on the number of courses completed with a “B-“, though a 3.00 LSU GPA is required for graduation. There is no change to the limit of six hours with a “C (+/-).”

Plus/Minus Grading & Regulations Applicable on a Course-By-Course Basis

All regulations applicable on a course-by-course basis and requiring a specific letter grade are interpreted to mean a specific *letter grade range*. For example, if a student must achieve a C or better in one course as a prerequisite for another course, the student must achieve a final grade in the C range (i.e. C+, C, or C-) or better.

“I” Grade: An “I” grade indicates that course performance was satisfactory, but because of circumstances beyond the student’s control, all requirements were not met. Authorization from the Vice Provost & Dean of the Graduate School is not required to assign an “I” grade to a graduate student.

An “I” grade should never be given to enable a student to do additional work to bring up a deficient grade. A task should not be assigned to a class that will take longer than a semester to complete, thus causing everyone in the class to get an “I” grade. An “I” grade may not be given for a course taken in the semester in which the student graduates if that course is listed on the application for degree or if changing the “I” grade to an “F” would result in the student’s LSU cumulative average being less than 3.00. An “I” grade should never be assigned for thesis/dissertation research. “S” (satisfactory) and “U” (unsatisfactory) grades are given for thesis (8000) and dissertation (9000) research courses up to and including the semester the student graduates.

An “I” grade is valid only until the final day of classes in the next regular semester (fall or spring), whether or not the student is enrolled. For online degree programs, the “I” grade is valid until the final day of classes within the following online term. For on campus degree programs, “I” grades received in the spring semester or the summer term are valid until the end of classes in the fall semester. “I” grades received in the fall semester are valid until the final day of classes in the spring semester. For online degree programs, an “I” grade received during the First Spring term is valid until the final day of classes in the Second Spring term. There will be no extension of time. The responsibility for changing an “I” grade rests both with the student and the faculty member concerned. If a faculty member does not submit a “Grade Correction Report” to change, the “I” grade by the final day of class for the next regular semester, the “I” grade will become a permanent “F” grade.

Highly unusual circumstances that preclude a student from completion of course requirements may—at the discretion of the Vice Provost & Dean of the Graduate School—permit assignment of a permanent “I” grade. Such unusual circumstances might include, but would not be limited to, withdrawal of the student from the university because of prolonged medical problems, or death or resignation of the faculty member concerned, and the absence of another faculty member to supervise the unfinished work. The student must initiate the petition for a permanent “I” grade. This petition must be accompanied by a letter of

justification from the faculty member concerned, if possible. The petition must also be endorsed by the chair of the student's department before it is submitted to the Vice Provost & Dean of the Graduate School.

Unusual circumstances might include, but would not be limited to, withdrawal of the student from the university because of prolonged medical problems, or death or resignation of the faculty member concerned, and the absence of another faculty member to supervise the unfinished work. The student must initiate the petition for a permanent "I" grade. This petition must be accompanied by a letter of justification from the faculty member concerned, if possible. The petition must also be endorsed by the chair of the student's department before it is submitted to the Vice Provost & Dean of the Graduate School.

"W" grade: A "W" grade indicates that a course has been dropped between the dates specified on the [academic calendar](#). In extraordinary cases, the Vice Provost & Dean of the Graduate School may authorize a resignation and/or course drop after the last date specified.

The policies and procedures of the university governing grade appeals are described in the section concerning university [Academic Regulations](#).

Pass-Fail Option

With approval of the student's major professor, department chair, instructor of the course involved, and the Vice Provost & Dean of the Graduate School, a graduate student may register on a pass-fail basis for courses not included in the major or minor requirements. The deadline for changing from pass-fail grading to letter grading, or vice versa, is the last day for adding courses for credit.

If the student's major department agrees, graduate courses passed with a grade of "P" may be offered for degree credit, but the grade will not be considered in computing the grade point average. For graduate-credit courses, a grade of "P" will be assigned only if the work is of at least "B-" quality. A grade of "F" in a pass-fail course will be treated as any other "F." Some departments have designated certain research and seminar courses to be taught on a pass-fail basis. All students enrolled in these courses will be graded in this manner.

Grade Requirements

Good Standing: Graduate students are considered to be in good academic standing, (making satisfactory academic progress), if they maintain a 3.00 LSU cumulative grade point average on all graduate coursework taken within the university (all LSU campuses) and a 3.00 semester average on all coursework (undergraduate and graduate), and earn a grade of "S" in research.

Students who are not in good academic standing may not take any graduate milestone exams. Milestone exams are defined by the Graduate School as the General Defense, Final Doctoral Defense, Master's Thesis Defense, and the Master's Non-Thesis Defense. This rule does not apply to departmental exams unless stipulated by the department.

Probation and Dismissal: A student whose semester and/or cumulative LSU average is below 3.00 will be placed on probation, except that a student whose cumulative average is as low as 2.75 may be dropped from the Graduate School without having a probationary period. For these purposes, a summer term is counted the same as a regular semester. A student already on probation whose LSU cumulative average is below 3.00 will be dropped from the Graduate School. A student receiving a “U” grade in research will be placed on probation. A student receiving a second “U” in research is normally dropped from the Graduate School. Rules governing students admitted on probation are provided in “[Admission to Graduate Study](#)” in this chapter. The grades recorded determine the student’s academic status, even if the student changes to a different graduate degree program.

Students who have been dropped from a graduate degree program and are ineligible to continue in the Graduate School may not reapply as non-degree students.

Applicants admitted on probation and students placed on probation may not be appointed to a graduate assistantship. Refer to [PS-21](#) for further details concerning assistantships and students on probation.

Academic Dishonesty: Academic integrity and honesty must be fundamental qualities of any graduate student’s program, and a graduate student’s conduct must be above reproach. Academic dishonesty undermines the entire academic enterprise. As a result, it cannot and will not be tolerated. It is the responsibility of all students to familiarize themselves with the Code of Student Conduct and other university rules and regulations governing student conduct and activities.

The Office of the Vice President for Student Life has administrative responsibility for coordinating all university disciplinary procedures and practices.

Graduation: To receive a graduate degree, students must be enrolled for the semester and have at least a 3.00 LSU cumulative average on all graduate coursework taken that is applicable to the degree program and on all graduate coursework taken while registered in the Graduate School. “S” and “P” grades are not considered in determining whether this minimum level of performance has been achieved. A maximum of six credit hours of coursework with a grade in the “C” range (C+ to C-) may be counted toward degree requirements.

GRADUATE REGISTRATION

Specific registration dates for each semester or summer term are listed on the [academic calendar](#). Registration procedures are published in the semester [schedule of classes](#) at the website of the University Registrar.

“Degree Only” Registration

“Degree Only” registration is only allowed for students who have met all degree requirements in the previous semester: Final Defense reports have been received by the Graduate School and approval of all format corrections requested by the thesis/dissertation editor by close of business on the last date to add classes for the semester. Non-thesis students may also register “Degree Only,” provided all degree

requirements are met in a previous semester and Final Defense reports have been received by the Graduate School. Degree Only registration is reserved for Master's and Doctoral students and cannot be used by students seeking a Certificate only. Students in LSU Online degree programs may not register for Degree Only. All fees for Degree Only registration must be completed by close of business on the last date to add classes for the semester of graduation.

Registration of Candidates for Degrees

Students expecting to receive their degrees in the current semester must be registered for coursework, at least one hour, if in a non-thesis degree program or one hour of thesis research, if writing a thesis and three hours of dissertation research hours, if writing a dissertation unless they qualify to be registered "Degree Only" (see "**Degree Only**" Registration"). Eligible students must submit an "Application for Degree" by the published semester deadline.

COURSE LOADS

Any graduate student who is utilizing university facilities and/or faculty time must register for an appropriate course load. Graduate students engaged in writing or defending theses or dissertations are expected to register for research hours commensurate with the amount of university resources (faculty time, equipment, library facilities, and/or office space) to be utilized that semester. There is a continuous registration requirement for doctoral students who have passed the General Defense (see section on Continuous Registration Requirement).

Full-Time Study in Graduate School

In order to be classified as a graduate student and to be considered full-time, students must maintain registration in a minimum of 9 semester hours in the fall or spring semester (with a minimum of six hours for graduate credit coursework), or a minimum of 6 semester hours in a summer term or online module (a minimum of 3 hours for graduate credit coursework). At least one half of the registered credit for part-time graduate students must be in graduate credit coursework.

Graduate students may, with prior written approval of the Vice Provost & Dean of the Graduate School, receive credit for work taken concurrently at another university. For example, LSU has a cooperative registration program with Southern University and some cooperative graduate programs with other universities in Louisiana.

Course Loads of Graduate Assistants

Graduate students holding graduate assistantship appointments must meet certain minimum registration requirements. Such students are expected to register for a full load—nine hours in the spring and fall, at least six of which must be at the graduate level, and six hours in the summer, at least three of which must be at the graduate level—each semester until all degree requirements are completed.

Course Loads of Graduate Students taking Examinations or doing a Defense

Students must be registered for a minimum of one to three semester hours of credit during any semester in which they are taking the master's Final Defense or Doctoral General Defense, or Final Doctoral Defense, including the qualifying examinations required by some departments. Masters students who are taking their Master's Thesis Defense must register for one or more thesis credit hours. Students who are non-thesis and taking a Final Defense must be enrolled in at least one credit hour. Doctoral students who have completed the General Defense should see "**Continuous Registration Requirement**" under "**Requirements for Advanced Degrees**" in this chapter.

ADDING OR DROPPING COURSES

A course may be added or dropped only in accordance with the dates indicated on the **academic calendar**. During the drop/add period, the student will initiate the action using the myLSU online registration system. A change from credit to audit is treated as a drop and add action, but it must be approved by the Graduate School by the published deadline. See "Auditing Courses" below for additional information about auditing courses.

AUDITING COURSES

Regularly enrolled graduate students may audit courses with the consent of individual instructors. Auditors will not receive degree credit for courses audited, nor will they later be permitted to take a credit examination on work audited. However, courses previously audited may be taken for credit later. Audited courses do not count in total course loads and are not recorded on official transcripts. Request to audit courses must be submitted on or before the last day to add courses for credit.

CHANGING DEGREE PROGRAMS

A student in one degree program who wishes to change to another degree program, or a student who completes one degree and wishes to pursue another degree, must obtain approval of the current department, new department, and the Graduate School. A "Request for Change of Department" form may be obtained from the **Graduate School website**.

Students wishing to pursue a different degree in the same department must obtain approval from the department. The department must notify the Graduate School in writing of such a change.

Requests must be submitted during a regular semester or summer term (not between semesters) in order to be effective for the next semester of enrollment. Only one request for Change of Degree Program will be processed per semester.

RESIGNATION FROM THE UNIVERSITY

Dropping an entire course load constitutes resignation from the university for that semester. A graduate student who wishes to resign must first secure approval of the Vice Provost & Dean of the Graduate

School. A resignation form must be completed within 10 days of the date approved by the dean, and in no case later than the date shown on the [academic calendar](#) as the final date for resigning from the university. Completion of resignation involves clearance through certain administrative divisions of the university, as shown on the resignation form provided by the Graduate School. A student who abandons courses without resigning will receive a grade of “F” in each course.

ACADEMIC RENEWAL

Students who have been dropped from LSU because of a graduate-level GPA of less than 3.0, and who have then not attended LSU for a period of at least two consecutive calendar years may declare academic renewal and apply for re-admission to the university. Under this policy, all graduate-level work taken at an earlier date is eliminated from computation of the grade point average and cannot be applied toward a degree at LSU. Such work will remain on the student’s scholastic records and transcripts, and can be considered by the department in the re-admission process, but will not be used in the computation of the graduate grade point average.

Students qualifying for academic renewal who are recommended for admission by their academic department will be admitted on academic probation.

APPEALS

Information on grade and other appeals may be found in the [LSU General Catalog](#).

Students must meet all degree requirements as stated in the [LSU General Catalog](#).

Disability Services: [LSU Office of Disability Services](#) provides appropriate auxiliary aids and services to students with disabilities to ensure they receive full participation in all activities, programs and services at the university. Any student with a documented learning, physical, psychological, or other disability that significantly impacts academic pursuits is potentially eligible to receive accommodations. Incoming students should register with LSU Disability Services at Spring Invitational, Freshman and Transfer Orientation. Continuing students should register at the beginning of their enrollment at LSU or as soon as they are able to post-diagnosis. Accommodations are determined by [LSU Office of Disability Services](#) and it is the responsibility of the student to provide accommodation information to professors. The guide for accommodations can be found at the [LSU Office of Disability Services](#) webpage.

Important Academic Dates

Students are advised to check the [Academic Calendar](#) each semester for current information on the following important academic dates:

- First day of Classes
- Last day for dropping classes without receiving a “W”
- Last day to add courses or make a section change

- Last day to invoke the Grade Exclusion Policy
- Course scheduling for the following semester
- Last day to drop classes or resign from the University
- Final date to request rescheduling a final exam when three exams are scheduled in 24 hours
- Last day of classes
- University Holidays

The **Final Exam Schedule** if available on the **Office of the Registrar** website.

B. DEGREE PROGRAMS

The School of Theatre offers the following graduate degree program:

Ph.D. in Theatre degree with a concentration in Theatre History, Dramatic Literature, Theory and Criticism.

Master of Fine Arts degree with the following specializations:

- **Acting**
- **Scenic Technology and Design**
- **Costume Technology and Design**
- **Properties Design and Technology**

For additional information on graduate study at LSU, please visit the **LSU Graduate School** website.

C. PH.D. IN THEATRE

The **Ph.D. in Theatre** curriculum provides students with a broad knowledge of theatre historiography, theory, literature, and criticism. In addition, students pursue a minor area of study in a field outside theatre, such as Women's and Gender Studies, Performance Studies, History, Anthropology, and English.

The PhD faculty in Theatre at LSU are committed to providing students with the necessary tools to compete in a rapidly diversifying job market. We focus on honing students' skills in writing rigorous scholarship, teaching a broad range of theatre classes, and enhancing production experience, especially in the areas of dramaturgy and directing. Our students become nimble and adaptive teachers and scholars, able to occupy positions in professional and/or academic theatre.

Our faculty balances our program's generalist foundation with particular expertise in gender and queer studies, critical race theory, African and African diasporic studies, political and social change performance, and sports history. We mentor students as teaching assistants and instructors for classes from Introduction to Theatre, Theatre History, Acting, Directing, and the option to teach

Special Topics courses of the student's choosing in their third or fourth year. We encourage PhD students to participate in productions as actors, directors, playwrights, designers, and/or dramaturgs.

Our program is tailored to suit the needs and goals of each student. Once students choose a major advisor at the end of coursework, they work with that faculty member to ensure they spend the remainder of their time acquiring the necessary experience to prepare them for the position they seek whether inside or outside academia. Our students' dissertations are similarly crafted towards the audience that student hopes to go on to work with whether academic or professional, or both. Our students go on to become professors at research one and liberal arts institutions, professors at community colleges, teachers in public and private high schools, and dramaturgs and literary managers at professional theatres.

- 3 credit hours in THTR 7926 or other non-Western theatre, art or culture
- 3 credit hours in THTR 7900, Introduction to Graduate Studies
- 6 credit hours in theory sequence (THTR 7924 and THTR 7925)
- 15 hours in literature and history (THTR 7901, THTR 7902, THTR 7903, THTR 7904, THTR 7912, THTR 7913, THTR 7914)

- 3 credit hours of Electives
- 3 credit hours in a pedagogy-focused course
- 9 credit hours for dissertation (THTR 9000)

All courses should be taken on the 7000 level. On occasion, exceptions can be made by graduate advisor. Should you take a 4000-level course, the instructor must have graduate faculty status.

Progression Toward Degree

Annual Reviews

During orientation week every fall, all in-residence PhD students are required to meet with the PhD faculty to review the milestones from the previous academic year, and set goals for the upcoming academic year in order to ensure timely progression of all students toward their degree.

Committee Selection

By the conclusion of the student's required coursework, students should select a major advisor and minor professor in order to begin preparing for the general exam process.

General Exams

General exams should be taken in the spring semester of the third year.

- Sit-down exams given in 2nd week of classes, followed by oral defense of answers with Ph.D. faculty. Note: failure requires retaking the exams after a 4-week break
- The portfolio should be completed by 6th week of classes and submitted to the Ph.D. faculty via email.
- The take-home essay should be completed by 8th week. Normally, this is a research question arranged by the student's major advisor by the 6th week and answered by the student in the form

of a 15-page response, complete with bibliography. Ideally, the essay assists the student in constructing a dissertation prospectus. The major advisor approves this essay.

- The prospectus defense with the student's dissertation committee (i.e., major professor, minor professor, at least one other Theatre professor, and the dean's representative) should occur by the 14th week. A General Exam Defense form must be filed with the Graduate School at least three weeks prior to the defense date. The prospectus itself must be circulated to the committee at least two weeks prior to the defense.
- All degree requirements, save for defending the dissertation, need to be satisfied before the start of the 4th year in order to receive 4th year of funding (or 5th year for MA/PhDs).

D. MFA IN THEATRE, ACTING

The LSU [MFA in Acting](#) Program provides rigorous physical, vocal, emotional, and critical actor training approaches. The M.F.A. acting students are the primary acting pool for the LSU Equity resident theatre company, Swine Palace. To promote holistic actors, candidates create and perform a 20-minute solo work of theatre as their thesis, concluding with an oral presentation on the creative process. A traditional written thesis option is also available.

The program comprises six consecutive semesters of training for the professional actor. The program recruits a new cohort every two years.

The training offers daily practice and seeks to develop the actor's body, voice, imagination, and critical thinking, all of which enables actors to live truthfully and playfully within given circumstances. Actors are encouraged to free themselves from unnecessary tensions and to be responsive to the full range of internal and external impulses for action with boldness and courage.

The program provides in-depth actor training in contemporary and classic texts with a focus in both theatre and film. The LSU School of Theatre is the central home of Seven Pillars Acting, a modern and comprehensive acting technique based in Meisner and Stanislavski teachings. M.F.A. acting students study Seven Pillars Acting in their first year and progress in their second year to focus on application skills, style, and heightened text. Graduate students may have the opportunity to earn a Seven Pillars Acting Teaching Certification.

Movement instruction is informed by techniques such as T'ai Chi, Alexander Technique, Laban, neutral mask work, stage combat, fitness training, contact improv, Viewpoints, and dance. For those interested in a unique physical specialization, the program offers aerial silk courses and workshops. Voice instruction is

informed by techniques such as Knight-Thompson Speechwork, Fitzmaurice Voicework, Estill Voice Training, and classical rhetoric. Students who have an interest in voice and accent coaching often have the opportunity to serve in productions as a vocal coach or as an assistant.

Acceptance into the MFA Acting Program is strongly encouraged before any formal application to the LSU Graduate School.

This program distinguishes itself with several features:

- **Accelerated Program Geared Toward Professional Actors:** The LSU MFA Acting Program provides an accelerated, two-year training program designed for professional actors who generally have two to four years of professional experience after earning their undergraduate degree.
- **Assistantships and Tuition Waiver:** The program offers assistantships of \$30,667 annually, along with a tuition waiver. Required fees and medical insurance still apply. Graduate students on assistantship become half-time employees of the university, working 20 hours per week, often in a combination of teaching, production, and administrative duties. At specific points in the term, graduate students may be required to accomplish their assistantship hours in addition to rehearsing and performing in productions and completing their academic coursework. Candidates become eligible to teach an undergraduate course after they have earned 18 hours of graduate credits.
- **Professional Equity Resident Theatre, the Swine Palace:** The M.F.A. cohort is eligible for competitive casting in all Swine Palace productions. There is no guaranteed casting. All roles are earned. All roles are earned through a professional audition and callback process.
- **International Diversity:** The acting program is committed to recruiting students locally, nationally, and internationally to promote global citizenship and diversity in casting. Graduates include students from Taiwan, India, Uganda, Kazakhstan, Brazil and others.
- **Louisiana Film Industry:** Louisiana is one of the top states for film production in the nation. Professionals who are active in the Louisiana film industry often teach on-camera acting courses. Louisiana is a “right-to-work” state, so actors may work in professional film and television without joining the Screen Actors Guild (SAG). Alumni of our program who have taken advantage of the local industry are Joe Chrest, Donald Watkins, Yohance Miles, Jenny Ballard, Jason Bayle, among many others.
- **Influential Guest Artists:** Students are provided with multiple opportunities to work alongside professional theatre artists and scholars with international reputations of excellence. In the last decade, guest artists have included Tectonic Theatre, Robert Wilson, Anne Bogart, Ping Chong, and Adam Rapp.
- **Professional Reentry Focus:** In the last semester, the emphasis is on retooling photo/resumes, an actor’s reel, auditioning, and other strategies for entering a new market upon graduation. Historically, alumni widely relocate to Atlanta, Chicago, New York, Seattle, Minneapolis, Los Angeles, New Orleans, and others.

Program Guiding Principles

The following are the guiding principles for the LSU MFA Acting Program:

- **Simplicity:** Strive to do one thing at a time. Be direct and concise in communication. Search for a single path within complex options, for every moment of work and life.
- **Authenticity:** Strive to be genuine. Find comfort and confidence in being true to yourself. Present yourself openly and truthfully to others. Actively revise and define the values which best reflect your identity and beliefs.
- **Humanity:** Strive to be kind, gracious, and accommodating. Be slow to judge and quick to forgive. Strive to find perspective and humor. Strive to take your work seriously, but do not take yourself too seriously.
- **Autonomy:** Strive to be independent. Solve problems on your own before seeking help. Cultivate self-discipline to set and meet personal goals.
- **Mastery:** Strive for a command of acting technique and its foundational knowledge. Regularly work on self-improvement with focus and enthusiasm. Know that risk-taking and failure make you stronger. Building on your weaknesses yields more significant benefits than repeating our strengths.
- **Purpose:** Strive for an exact reason for your work—a determination, a resoluteness to define the subject at hand, the point at issue. As an artist, what is your goal: personal, social, political, philosophical, etc.?
- **Courage:** Strive to stay strong, resolute, and determined in the face of fear and the unknown. Dive deep into your heart and imagination. Speak up and claim your rights. Know that the cost of personal freedom is sometimes a respectful confrontation. Stand up for what you believe.

Casting

The LSU School of Theatre endeavors to provide all students, both graduate and undergraduate, with multiple potential casting opportunities in both theatre and film throughout each school year. Graduate students are a primary source of casting for our professional theatre, Swine Palace, and the School of Theatre attempts to secure at least one theatrical or film casting opportunity for every graduate student each academic year. Nevertheless, all casting is competitive; it is conducted on a show-by-show basis without guarantees. All graduate students are required to audition for each Swine Palace production, but graduate students should see School of Theatre casting as a potential opportunity, not an expectation.

Application Process

Applicants are admitted into the program only through an audition and interview with the program heads. One can audition and interview through the University/Resident Theatre Association (URTA) auditions in or by direct submission. Offers to selected applicants will begin February or earlier if a non-URTA applicant.

If you wish to apply directly to the MFA program rather than attend URTA, please contact Nick Erickson, the program head, and send the following:

- professional actor headshot
- acting resumé
- statement of purpose detailing why you are pursuing graduate training at LSU
- three letters of recommendation
- A link to a YouTube audition video no longer than 3 minutes. Please perform a minimum of two contrasting monologues of one minute each. After your pieces, take some time to speak about your career goals and how LSU is key to your plans.

Please submit all of the materials listed above as a single digital file, PDF, or printed materials via regular mail. If you are a non-URTA applicant, please submit by January 1st, to be considered for the next cohort. Once we receive all applications, we will invite select applicants to an initial interview/audition online. We will conduct a final callback online for all shortlisted applicants in February. Offers soon to follow.

Once accepted into the LSU MFA Acting Program through the audition/interview process, students must then apply to the LSU Graduate School. The GRE is not required. Official transcripts verifying an accredited undergraduate degree will be required before formal acceptance.

VI. THEATRE PRODUCTION PROGRAM

A. SWINE PALACE

Swine Palace serves as the professional arm of the School. Swine Palace is a major performance outlet for M.F.A. students allowing them to perform alongside professional actors. M.F.A. Technology/Design students also receive major assignments for Swine Palace productions which include serving as a Set or Costume Designer or Props Master. A limited number of undergraduate students are also cast in Swine Palace productions and all undergraduate students work in support roles such as run crew, costume crew, electricians or Assistant House Managers.

Proposals for LSU Theatre and Swine Palace productions are solicited during the fall semester through an online [Call for Proposals](#). All proposals must meet the established [Guidelines for Season Programming](#) as defined by the LSU School of Theatre faculty in January 2015.

B. LSU MAINSTAGE

The LSU Mainstage season is reserved for undergraduate students affording them the opportunity for major roles in fully supported productions directed by faculty or guest directors. Design/Technology undergraduate students have the opportunity for a major assignment on an LSU Mainstage production such as Set, Costume, Sound or Lighting Designer.

Proposals for LSU Theatre and Swine Palace productions are solicited during the fall semester through an online [Call for Proposals](#). All proposals must meet the established [Guidelines for Season Programming](#) as defined by the LSU School of Theatre faculty in January 2015.

C. LSU LAB SEASON

Each academic year, the Lab Season consists of four student driven productions. Undergraduate and graduate students direct the majority of the productions in the Lab Season. In addition, students serve as designers and technologists and primarily undergraduate students perform. Faculty serve as mentors for Lab productions which have limited budgets. Lab productions are selected by the Lab Season committee through a competitive proposal process. A call for proposals is held each spring for all Lab productions during the following academic year. Specific information about the Lab Season may be found in the Lab Season guidelines document.

Lab season proposals are accepted in the fall for the following academic year. Each year, the Lab Season Committee oversees the Lab Season proposal process.

D. ANNUAL DANCE CONCERT AND PHYSICAL THEATRE SHOWCASE

The Annual Dance Concert and Physical Theatre Showcase, presented annually in the spring, the Dance Concert and Physical Theatre Showcase features student and faculty choreography.

VII. FILM PRODUCTION PROGRAM

A. GEAUX FILM

Each academic year, the School of Theatre funds one to three student projects – one each in the fall and spring semesters – as a way for students to gain more real-world experience in each phase of the filmmaking process. Students are responsible to pitch ideas to a faculty committee that meets once in August and once in October and then if chosen, will oversee all aspects of the production with a faculty advisor functioning as executive producer. The increased budget and larger scope of the Geaux Films results in larger sets with more resources and crew members to manage. For this reason, students functioning in producer, director, DP, or other major roles may be eligible for credits towards THTR 4735 or independent studies.

B. TAKE FILM FESTIVAL

Every Spring, the School of Theatre hosts the Take Film Festival. It is a culmination of all the work done by students in the department through the school year and also features the Geaux Films. Festival submissions open in February and run through mid-April. A faculty panel decide the program for the festival and all films that make it in are eligible for awards for Directing, Cinematography, Acting, Editing, Writing, Production Design, Best Overall, and Audience Favorite. The festival is held at the end of the spring semester with a panel of industry figures that act as judges for the awards. The festival may also include panels and workshops put on by the guest judges and receptions for festival entrants. The festival entries are open to any student at any school and even includes an alumni category for graduates.

C. HOROR-BLY SHORT FILM FESTIVAL

Each October, Delta Rouge manages and hosts the Horror-bly Short Film Festival. This is a free 48-hour film festival-style event available for any member of Delta Rouge to participate in. Small teams for the festival are chosen by lottery by the Delta Rouge board and each team is assigned a package of equipment from the Equipment Office. In one weekend in October, each team is given an assigned line, prop, and action to include in a short horror film that must be written and shot in one weekend and edited in the 3 days following. The shorts are shown at the festival screening during the week of Halloween with the best film being awarded the Horror-bly Short Trophy.

VIII. REHEARSAL

A. REHEARSAL REGULATIONS

- Rehearsals for LSU Theatre and Lab productions are limited to five days per week with a maximum of four (4) hours per day. Rehearsals can be scheduled on either Saturday **or** Sunday, **but not both days**. (Notes must be contained in this period.) All rehearsals **MUST** end no later than 11:00pm on weekdays and weekends. Breaks for rehearsals should conform to Equity standards: five (5) minutes after sixty (60) minutes; ten (10) minutes after ninety (90) -- whatever the director prefers.
- Rehearsals for Swine Palace must adhere to the rules and regulations determined by the Equity contract. Compliance will be monitored by the Chair, Equity Stage Manager, Managing Director, and Artistic Director.
- As of the 2021-2022 academic year, the School of Theatre has eliminated the 10 of 12 technical rehearsals. For all productions, technical rehearsals will take place from Wednesday through Saturday (Sunday if there is a home football game) during the week prior to opening with dress rehearsals on the Tuesday and Wednesday prior to the Thursday preview. Technical rehearsals will be limited to a maximum of four (4) hours per day.
- Rehearsals for all productions are carefully outlined in the production calendar; changes to the rehearsal schedule must be approved by the Chair and/or Production Manager.
- Misconduct in rehearsal (including abuse of alcohol / drugs, or violent/ unsafe behavior) is subject to the sanctions as outlined in the LSU Code of Conduct. On all productions, the stage manager is obligated to report such behavior to the Head of the Undergraduate Program or the Chair of the School. Such behavior will be reported to the Office of Student Advocacy and Accountability and students will be subject to the LSU Student Code of Conduct.
- If a student will be late to a rehearsal, they should immediately communicate with the stage manager. Rehearsal conflicts should be reported at the time of the auditions or well in advance of the rehearsal (except for MAJOR illness, emergency, or injury).

IX. FACILITIES

The Music and Dramatic Arts Building has been the primary home of the School of Theatre for over 70 years, housing classrooms, studios, faculty offices, production shops, and two performance spaces: the Claude L. Shaver Theatre and the Studio Theatre. In addition, the building serves as an auxiliary space for the LSU School of Music, housing selected music faculty offices, studios, and practice rooms. Completed in 1934, the M&DA Building re-opened in 2009 after a four-year \$22-million renovation.

The School of Theatre also operates the Reilly Theatre which is located on the south side of campus. The Reilly Theatre houses LSU Theatre and Swine Palace productions.

A. PERFORMANCE SPACES

The 425-seat proscenium theatre is the permanent home of the LSU School of Theatre and the primary venue for LSU Theatre and select Swine Palace productions. Designed in the Tropical Art Deco style, the Shaver Theatre is a point of pride for the University.

Studio Theatre

The 48' x 48' black box theatre serves as the primary venue for student-generated workshops and for smaller, more experimental LSU Theatre and Swine Palace productions.

Reilly Theatre

The former livestock showing pavilion was renovated and opened during the 1999-2000 season and serves as a flexible performance space for Swine Palace and LSU Theatre. The Reilly Theatre also houses Playmakers, Baton Rouge's professional theatre for young audiences, through a collaboration with the LSU School of Theatre.

B. REHEARSAL SPACES

The M&DA Acting Studios (Rooms 125 and 135) and the Undergraduate Rehearsal Room (Room 399) are the primary spaces available to theatre majors for rehearsals and other class work. Shops utilize equipment and potentially hazardous material. At a minimum students must be wearing appropriate attire including footwear. XV. FUNDING SOURCES

A GRADUATE ASSISTANTSHIPS

Portions of this section are excerpted from [Graduate School webpage](#).

There are many reasons to become a graduate assistant, not the least of which is that an assistantship will provide necessary financial support for your education. In exchange for service, an assistantship provides a monthly stipend and a non-resident fee waiver. Some assistantships include full tuition exemption.

Graduate students in the School of Theatre fulfill an important function for the department. Students will be assigned as a teaching assistant, instructor of record and in administrative and production areas. This requires not only a mastery of the course content, but it also challenges your ability to communicate ideas clearly (a skill that is central to success in your graduate studies and professional life). For many students planning a career in academia, a TA position is an excellent training ground.

There is a new Graduate Teaching Assistant Workshop for new TAs offered each fall. The workshop offers support and other resources for teaching, enhance your effectiveness as an instructor, and help you get off to a great start in the classroom. Additional details will be provided at a later date.

CGS RESOLUTION

The CGS Resolution Regarding Graduate Scholars, Fellows, Trainees, and Assistants

Louisiana State University, as a member of the [Council of Graduate Schools' Resolution Regarding Graduate Scholars, Fellows, Trainees, and Assistants](#), must comply with its terms. In brief, the resolution states "students are under no obligation to respond to offers of financial support prior to April 15; earlier deadlines for acceptance of such offers violate the intent of this Resolution." The Resolution also states "...acceptance given or left in force after April 15 commits the student not to accept another offer without first obtaining a written release from the institution to which a commitment has been made."

XVIII. ABOUT THE LSU SCHOOL OF THEATRE AND SWINE PALACE

The LSU School of Theatre continues to achieve national and international prominence in scholarship and performance. Our NAST-accredited B.A. degree program (concentrations in Arts Administration, Design/Technology, Performance, Physical Theatre and Theatre Studies) provides rigorous comprehensive training within the framework of a liberal arts education. In 2021, the School of Theatre added a B.F.A. in Film and Television as an additional undergraduate degree program. The M.F.A. degree—with a specialization in acting—is a two-year, year-round professional actor training program featuring the integration of both traditional and innovative physical, vocal, and process approaches for 21st century performers. The M.F.A. degree—with specializations in scenic technology and design; costume technology and design; and properties technology—is a three-year program preparing the theatre artisan for a professional role encompassing a wider range of production and/or teaching responsibilities. The training for exceptional candidates is augmented through undergraduate teaching opportunities and production positions with Swine Palace, the department's affiliate professional theatre. Our Ph.D. program—with a concentration in theatre history, dramatic literature, and theory and criticism—develops the knowledge, critical skills, and methodological approaches that will allow students to conduct research as professional scholars and become excellent teachers in the field. The School of Theatre fosters creativity and originality in its stage productions and scholarship, and offers a learning environment unique to the region.

With Swine Palace, the department has distinguished itself as one of the few programs in the country that supports a full-time, year-round Equity theatre company. While pursuing their degrees, students have the opportunity to work alongside world-class artists in every facet of production. Many students are Actors' Equity Association (AEA) eligible by the time they graduate. Not only a cultural resource, Swine Palace also contributes to the economic growth and well-being of the community. In 2006, Swine Palace was recognized with the Louisiana Governor's Arts Award for Outstanding Large Arts Organization and the YWCA Greater Baton Rouge Racial Justice Award given to an individual, organization or business for exceptional or creative contributions to the elimination of racism.

A. BRIEF HISTORY OF LSU THEATRE

The study of theatre at LSU has a long and rich history, dating back to the early twentieth century. The University began operating in January 1860, and courses related to "Speech" were offered. By 1926, the LSU catalog announced courses in "Elocution," "Forensic Oratory," "Eulogies & After Dinner Speaking," and two courses in theatre: "Technique of the Drama," and "Play Production." The latter course suggests that plays were being produced (probably one each semester), and the course provided participants with credit.

In 1928, Claude M. Wise was hired to take charge of the Speech/Theatre program, the first faculty member at the University to hold a Ph.D. degree in this field. With his engagement, the University moved all speech and theatre courses into the Department of English. Claude L. Shaver and Mrs. Flower also joined the

faculty of the English Department that year as instructors in Public Speaking. Besides six courses in Speech, two courses were offered in Interpretation and four in Theatre.

In 1931, Wise was named as head of the new Department of Speech, which began offering the M.A. degree. In the following year, Giles W. Gray was hired and the Department relocated to the new Music & Dramatic Arts Building (M&DA), which contained an art deco, proscenium arch theatre based on the design of the Cleveland Playhouse. In 1935, the Department offered the first doctoral degree in Speech in the South. Shaver organized a student group called the Louisiana Players Guild, which presented one-act plays and other dramatic pieces. LPG evenings continued for over forty years, finally being disbanded in the late 1970s. Among many hundreds of other students through the years, a young Joanne Woodward acted in LPG productions.

During his forty-five years at LSU, Shaver directed over one hundred plays, including *The Importance of Being Earnest* (1931) only thirty-six years after Wilde's original London production; throughout the years, he favored the plays of Shakespeare, Shaw, Wilde, and Wilder. He also directed plays by Pirandello, Sheridan, the Capek brothers, Ben Jonson, Eliot, O'Neill, and Ibsen.

Professor Claude M. Wise gave up the Chairmanship of the Department of Speech to Waldo W. Braden in 1957. A distinguished scholar in American Public Address, Braden carefully monitored the addition of theatre courses, having doubts that theatre courses could equal the speech curriculum in academic respectability.

In 1973, Gresdna Doty became Director of Theatre within the Department of Speech; five members of the faculty were assigned to theatre courses and production. John Dennis joined the faculty (coming from the Mark Taper Forum) in 1981, and the M.F.A. in Theatre (with a specialization in Acting) was approved (1985).

Meanwhile in 1977, Boyd Professor Braden turned the Chairmanship of the Department of Speech over to John Pennybacker (whose area was Radio & TV). In 1981, the Speech faculty moved to Coates Hall while the Theatre and Communications Disorders faculty remained in M&DA. In 1982, the name of the Department became the Department of Speech Communication, Theatre, and Communication Disorders. Mary Frances Hopkins officially assumed the Chair in 1982 until 1991 when the three units became separate departments. Doty became Chair of the "new" Department of Theatre, and in that same year (1991-1992), Barry Kyle, long-time resident director with the Royal Shakespeare Company in Stratford-upon-Avon, joined the faculty as head of the M.F.A. Directing Program and future founder of Swine Palace Productions (1992), the School's full-time, year-round affiliate Equity company.

Doty turned over the Chair's position in 1993 to Bill Harbin, who had joined the faculty in 1973. Lesley Ferris replaced him in August 1996, where she remained only three semesters, before accepting a position at The Ohio State University. Harbin resumed the Chair, and with Provost Dan Fogel continued the process of creating the College of Music and Dramatic Arts (CMDA). (The Department of Speech Communication, Theatre, and Communication Disorders had been a unit in the College of Arts and Sciences for several decades.) Consisting of the School of Music and the Department of Theatre, the College of Music and Dramatic Arts (with Ronald D. Ross, Dean) was officially launched on July 1, 1998. Michael Tick was named

Chair of the Department of Theatre in August 1999; in January 2000, the Reilly Theatre, home of Swine Palace opened with *A Midsummer Night's Dream* directed by Barry Kyle. In 2010, Department Chair and Swine Palace Artistic Director Michael Tick left LSU to become Dean of Fine Arts at the University of Kentucky. Upon his departure, Kristin Sosnowsky was appointed Interim Chair and later Chair and George Judy, Artistic Director of Swine Palace.

As part of the Department's 2000 Program Review, the M.F.A. in Theatre, specializations in Directing and Design/Technology, were dropped. Kyle resigned as Artistic Director of Swine Palace in 2001, and Chancellor Mark A. Emmert, appointed Michael Tick as Executive Producing Artistic Director of Swine Palace. Under the new restructuring plan, Swine Palace became integrated fully into the Department's academic and production programs.

The Department of Theatre received NAST Accreditation in March 2006, and a year later reinstated the M.F.A. in Theatre (with specializations in Costume Technology and Design; Properties Technology; and Scenic Technology and Design). In 2009, the Department returned to the Music and Dramatic Arts Building following a \$22-million renovation. In 2015, the Department was admitted into the University/Resident Theater Association and its designation was changed from Department to School.

B. A BRIEF HISTORY OF DANCE AT LSU

As early as 1937, the Physical Education Department (now the Department of Kinesiology) offered a Dance major consisting of fourteen dance courses, supplemented with numerous drama and music courses; there was also an active performing dance group. Although the undergraduate major was eventually eliminated, the Department of Kinesiology maintained an M.S. program with a Dance concentration. Through the 1960s and 70s, this dance program for undergraduate non-majors and graduate majors played an active role in the local and state dance scene, so much so, in fact, that in 1981 a Dance major in Performance/Choreography was reinstated.

This new Dance major of the 1980's had four full-time and three part-time faculty members and was highly selective, accepting only twenty-five students from more than 150 who auditioned. When the program was eliminated in 1988, some existing courses were moved to the Department of Theatre but rarely offered until the spring of 1998 when one part-time faculty member was hired.

The new Dance minor became effective spring 2000. Its primary role is to develop essential dance skills in students who are preparing for careers in theatre and music. However, many students enrolled in dance courses are non-majors with a talent or interest in dance. The Dance minor offers rigorous, professional-level technique courses in ballet, modern dance, and jazz, in addition to a broad study of related dance areas including history, improvisation, and composition.

C. A BRIEF HISTORY OF PHYSICAL THEATRE AT LSU

This genre of theatre primarily uses physical movement to tell stories. The term was first used by DV8 Physical Theater in the '80s using dance styles, contact improvisation, and acrobatic athleticism as a foundation for the invention of new movement for expression and storytelling.

Physical Theatre can be traced as far back as ancient Greek theatre and the theatrical traditions of Asia. More recent modern influences come from Commedia Dell'Arte and its influence on the modern Mime of Decroux, Barrault, and Lecoq in the 20th century.

Post WWII brought a deep questioning of all artistic tradition throughout the world. Butoh dance arose in Japan, absurdist theatre in Europe, and the Judson Church Dance Collective in New York in the 60s brought a wealth of contemporary well-known choreographers and teachers.

Most notable companies to influence Physical Theatre today include Pina Bausch's Tanzteater, DV8, Complicité, and Théâtre du Soleil, and Pilobolus, along with many others.

1984 brought Cirque du Soleil to the world stage and with it a new appreciation for physical expression through innovative approaches to circus centered on human elitism. Diavolo: Architecture in Motion, is a current company that works within the boundaries of dance, theatre, circus, and interactive structures designed for physical expression and metaphor. Now, with the global pandemic, physical theatre is struggling to redefine it's presence in the live-streaming and prerecorded world of social media and video-conferencing platforms.

The LSU Physical Theatre Concentration was formed in 2011 by Movement Professor, Nick Erickson, who was a founding member of Diavolo in the 90's prior to joining LSU Theatre School in 2001. Professor Erickson discovered a hunger for athletic physical expression among LSU students who loved performing in shows with high energy challenges and started touring productions overseas as a summer study abroad program in 2008. Aerial silk performance gained popularity among the students after the renovation of the Music & Dramatic Arts building in 2009 created a new two-story Movement Studio designed for aerial apparatus.

D. A BRIEF HISTORY OF FILM AND TELEVISION AT LSU

The School of Theatre began offering a concentration in Film and Television within the Bachelor of Arts in Theatre program in the 2012-2013 academic year. The program which began as a collaboration between the LSU School of Theatre and Baton Rouge Community College, which offered some of the production-oriented courses, recognized the important historical evolution of digital storytelling from the Theatre tradition. In 2014, the School hired its first full-time Professor of Film and Television. The concentration

was quite popular with enrollments growing from 12 in the concentration's initial year to 66 in the 2020-21 academic year. Student interest in the program led the School to create a Bachelor of Fine Arts in Film and Television which received final approval as a new degree program by the Louisiana Board of Regents in spring 2021.

In addition to the curriculum, the School of Theatre offers a number of co-curricular programs for students to engage with the broader film industry and apply their skills outside of the classroom. Each year, students participate in the Sundance Film Festival program where they screen dozens of films and connect with industry professionals. Founded in 2015, the "Take" Film Festival is the School's juried film festival featuring the work of students and alumni from institutions across the state. In 2018, the School began producing the "Geaux" Film as the first departmentally produced feature film. The School now produces multiple "Geaux" Films annually as fully student driven and departmentally funded projects. In 2020, the School added the First-Year Film as a way to engage first year and transfer students in the film program from their initial days on campus. Both the "Geaux" Films and the First Year Film are shown at the "Take" Film Festival.

The BFA in Film and Television complements the multiple other digital media programs across campus including the BA in Screen Arts which is offered by the College of Humanities and Social Sciences. In addition to serving a large contingent of students who are expressly interested in the filmmaking process, the program significantly enhances the experience and training of Theatre majors who also seek to work across mediums. With the new BFA in place, the School of Theatre offers a complement of degree programs which train students in narrative storytelling across mediums.
